B. G. Softball Team Wins Over South Bay 14-0

The Belle Glade softball team beat South Bay 14-0, and each Belle Glade player got at least one hit in the 14-0 romp. Willie Lee hit a three-run homer in the big seven-run fifth inning.

The softball team would like to play any team on a home-to-home basis. They're also considering the formation of a league in Belle Glade. Sponsors would be needed for such a league. Interested persons should contact Herbert (Shug) Anderson at WYMAN 6-2310.

Your Graduation Present

Belle Glade stores are well-stocked with a wide variety of gifts available for giving at graduation time. Clothing, jewelry, luggage, supplies for college of all kinds and, almost without exception, any gift for the discriminating giver is available.

We heartily encourage shoppers to inspect this area of their earliest convenience.

But wait... Are we forgetting something? Are we going to give these young people still another appropriate gift? Aren't we going to "give" them a pack on the back for completing their studies and learning to get along with other folks? What about a gift of a car?

Will we slip and forget to "give" them an invitation to join us in industry, commerce and business life in our community? Modern corporations spend great sums of money screening and selecting new leaders for industry and the arts. They are often the young, keen minds that are willing to work and help improve a business.

By extending this invitation, we're opening a door through which our community's young people may channel their thoughts and energy.

The right generation of parents, teachers and friends has helped these young minds through 12 years of schooling. Let's not quit now.

Let's help them to help us. We just might need it.

Uncle Dan From Democrat River Says

Dear Mister Editor:

I was reading a magazine piece where the U. S. Treasury Department has now got one of these new "bills" that are like the most recent paper money. That's the most encouraging news to come out of Washington this season.

A heap of folks was under the weather in their home and counting it. Judging from the way Congressmen was spending it, I figured they was just handing it by the pound. I see that some of the fellas has invented a new name, they called the Washington Gide. He says it's patterned after Gide's golf swing. If we're going out for things like that, I've got to take a step. I'd like to go, like the Farm Price Climber, the Tax Cut Tango, or the Balanced Budget Boogie.

I saw a piece in the papers the other night where the taxpayers is footing the bill for 871 employees to drive them Congressmen and Senators around. I got a kick out of that. I wonder if I could get some of those big boys had any idea where they was going and what they'd do when they got there.

These farts at the country store Saturday night got to talking about all them alphabet agencies they got in Washington. One fellow held out that some of 'em couldn't spend good enough to handle the situation. For in-

stant, he said, the pamphlets he got from the Agricultral Dept. were all about "subversive 'barnell'" with "b"! when anybody knows that barnell ain't got but one "b" in it. Ed Dooley, the man who got the bill, said he cause them. Government fellas always do everything up to the last notch and that the extra "b" stood for the bughouse in which they live.

I'm mighty interested in the outcome about this fellin' in Baltimore that got caught strolling naked to the corner of a park for a pair of shorts. When he got caught, he said, "This is the way God made me." As technical as our courts is git, he might hit with his case. But I've got to think about it. I'll just convict him on one of them bear traps lawyers manage to git into the statues. He'll probably rule that God made him like that. I'm not too sure he'll rule him with the cigarette habit, therefore and whereas he is guilty ipso facto and E Pluribus Unum.

Speaking of judges, one in England ruled the other day that a wife's value goes down with the years. A fellow was asking \$700 because his wife had been off the market. The Judge held that a wife gets more troublesome ever year and that this fellin' was entitled to only \$210 due to depreciation. Seems like he got mighty fine judges in England. Over here the Judge

Just a
Moment!

Sure, we know you're busy and excited as graduation day arrives. You've got a lot of things on your mind, and a thousand things to do, time is short and naturally you want to crowd all the joy and happiness possible into this great occasion.

We realize all that and we're happy for you.

Take just a serious moment with us then, and let us tell you how proud we are of you and how much confidence we have in your ability to succeed. So, somewhere in this final rush of activities, permit us to crowd in our sincerest congratulations and best wishes.

ALTHOUGH THE BELLE GLADE CANCER FUND fell short of its intended goal, full credit for all money collected should go to the Business and Professional Women's Club, Floyd Miller, the driver of the car, and Mrs. Miller's husband, the 71-year-old man, who the club was responsible for collecting. Mrs. Connie Tittsworth, BPWC drive coordinator, marks the cancer signs at the Belle Glade Chamber of Commerce. "It has not been for them, (the BPWC) Miller said, "the drive would not have been a success if we had reported to the Cancer Society that the complete effort, including a door-to-door canvass was made by the business women."
